Aundria Riggan
Hermantown graduate

"I am proud to say I have worked hard to be where I am, but I certainly could not have done it without help. I am forever grateful for the generosity of the HLF. Having financial help allowed me to focus on my academics and to get into Physician Assistant school. I have had a wonderful career and cannot express my gratitude enough for those who helped me along the way."

Eric Borndal
Hermantown teacher

"Teaching history is more fun when you can make direct connections with the lives of students. The copies of 'Learnin' in Hermann' donated from the HLF allow students to see the development of the Hermantown Schools and have an appreciation how lives of students have changed in Hermantown through the years. We are grateful for this very personal resource to share with students today."

Jim Crace
Hermantown
Police Chief

"The Hermantown Legacy Fund has been a key funding partner in the community-building efforts of the Hermantown Police Dept. The impact their giving has made across Hermantown is incredibly deep. We are lucky to have HLF as a resource in our community."
